Film Production Guidelines

Welcome to the City of Los Angeles, Department of Recreation and Parks (Department). In our partnership to protect the environmental integrity of our parks the Park Film Office is providing guidelines to ensure a safe and successful film shoot. Please review and provide copies of these guidelines to the appropriate responsible persons. Thank you for the continuous use of our parkland.

- **Cannot impede park patrons from park activities.**
- **Cannot interfere, prevent, or clear park patrons from the location of filming.**
- **Production Company does not have permission to remove or move existing landscape.**
- **Production Company not allowed to add landscape unless approved.**
- **May not be on or drive on any park service road, grassy areas unless approved, or taped off grassy areas.**
- **Must work around maintenance activities.**
- **All equipment must be handheld only.**
- **Okay to have 2 minute pedestrian control along the Boardwalk.**
- **Must work around maintenance activities.**
- **May not shoot In the Recreation Center unless prior arrangements are made with the Recreation Director.**
- **Okay to film between 7pm & 10pm only on February 1, 2011.**

- Vehicles and/or heavy equipment are not allowed on turf areas unless prior approval is given by the Park Film Office.

- Film permits do not provide exclusive use of a park or recreation area.
- Service roads, parking lot driveway access, handicap or electric vehicle designated parking stalls may not be blocked or restricted.

It is the company's responsibility to distribute these guidelines to all crew members. These are general guidelines for the area and are subject to change depending on your request.
